Amazon Kindle Oasis.5GB US wathc out the next chapter of your E-book.On the fourth day of National Novel Writing Month (NaNoWriMo) in the US, I decided to share a little of the story that is swirling around in my head. This story sounds super weird, but so do a lot of stories I have written in the past, and I can't wait to write it all down and see what happens. For those of you who don't know what NaNoWriMo is, it's a thirty-day campaign to write a 50,000-word novel in just a month. WOW, yeah, that's a lot of work to have to do, but the cool thing is that all you have to do is write. It's really quite simple, but you have to have a book you want to write. For this exercise, I haven't really decided what I want to write about yet, but I thought of a fantasy story featuring a character called Marcella, who has somehow been cursed to living a life in which she is able to speak to vampires. She has no idea that she is a vampire, and she lives her everyday life as a high school student. A powerful vampires have come to town and start behaving very strangely, leaving Marcella with a decision. She has to either live her life knowing that a vampire has taken her love one or to choose a fate that will allow her to be free. Can you see where I am going with this one? I'm pretty sure I can finish it in time for November 30th, but I have no idea what I want to do with it after that. If anybody would like to read it, let me know. This is a little bit of fun I found on the internet, I'll leave you to find out what happened in the story. I would like to know what you think of my idea. If you have any ideas or thoughts on the story, leave a comment below. + 2 . L e t f (g) b e t h e f i r s t d e r i v a t i v e o f - g * * 4 / 4 + g * * 3 / 3 + g * * 2 / 2 - g - 4 .
