This is the first installment of the Necro Wars series. This is a MMORPG with classic elements and some new twists added in. About Necro Wars: Since you can play the game with up to 3 characters, it's perfect for groups of friends. Have you ever seen zombies attacking people in real life? Well, in Necro Wars, it's the other way around. The idea of Necro Wars is to create a World War between Living People and Zombies, and that's why you will have a variety of zombies that are trying to kill you. The keyword of the game is "zombie rush." This is what happens when a living person and zombie team up to destroy a particular object or person. You will also be able to use a variety of items that are made by living people. Full information can be found at [The characters are doing their best to live in these hard times. It is a world in which a zombie apocalypse has suddenly started. Lots of people are fighting the zombies. \\*The characters can be switched with the character switching you can use on the right side of the screen. \\*You will have to clear any places where there are living people and zombie attacks. \\*At one point you will have to rescue all the people in the castle. \\*You will have to clear the 10th day defensive battle. \\*\\*You can view the contents of the scenario after clearing the 10th day defensive battle. \\*You will have to use the character switching during the battle. \\*You will have to clear any places where there are living people and zombie attacks. \\*At one point you will have to rescue all the people in the castle. \\*You will have to clear the 10th day defensive battle. \\*You can view the contents of the scenario after clearing the 10th day defensive battle. \\*You will have to use the character switching during the battle. \\*You will have to clear any places where there are living people and zombie attacks. \\*At one point you will have to rescue all the people in the castle. \\*You will have to clear the 10th day defensive battle. \\*You will be able to view the contents of the scenario after clearing the 10th day defensive battle. \\*You will have to use the character switching during the battle. \\*You will have to clear any places where there are living people and zombie](#)
